Certain terms of the Group Policy which affect Your insurance are contained in the following pages. Anthem Life has written this Certificate in plain English. However, a few terms and provisions are written as required by insurance law. Anthem Life urges You to read Your Certificate carefully and keep it in a safe place.

If the terms and provisions of the Certificate (issued to You) are different from the Policy (issued to the Plan Sponsor), the Policy will govern. Your coverage may be cancelled or changed in whole or in part under the terms and provisions of the Policy.

The Group Policy was issued in the state of Missouri. Its laws and rules will govern in resolving any questions about the Policy, except to the extent that the Policy may be governed by the Employee Retirement Income Security Act of 1974, as amended (ERISA).

While You remain insured, this booklet is Your Certificate of insurance. It replaces any prior booklet or certificate given to You for the types of insurance described here. It is void and of no effect if You are not entitled to or have ceased to be entitled to the insurance coverage. Many of the provisions of this Certificate are interrelated, and You should read the entire Certificate to get a full understanding of Your coverage. This Certificate also contains exclusions, so please be sure to read this Certificate carefully.

You may examine this Certificate for 10 days. If You are not satisfied with Your coverage and this Certificate You may return it within 10 days and We will cancel Your coverage and return all premiums paid.

When Insurance Begins and Ends

This section tells how You may become insured.

Obtaining Insurance

To obtain insurance under the Policy, You must be an Eligible Employee and be Actively at Work.

Enrollment

If you contribute to the cost of your Coverage:

You must apply for Your insurance and Your Eligible Dependent's insurance if the coverage is Contributory.

An application for You to become insured must be completed on a form approved for that purpose by Us. The Plan Sponsor must send the completed application to Us at Our Administrative Office. If Proof of Insurability is required for any coverage, the completed Proof of Insurability statement must be sent to us at Our Administrative Office.

Insurance Eligibility

If You are an Eligible Employee on the Effective Date of the Policy, You are eligible for Voluntary Accidental Death and Dismemberment insurance on that date provided You have completed the Eligibility Waiting Period. Otherwise, You become eligible on the first day of the calendar month coinciding with or next following the date You become an Eligible Employee and complete Your Eligibility Waiting Period.

Eligibility for Your Dependent's Voluntary Accidental Death and Dismemberment Insurance

If You are an Eligible Employee, You may obtain insurance for Your Eligible Dependents. You are eligible for Voluntary Accidental Death and Dismemberment Dependent Insurance on the earliest date that:

- You are an Eligible Employee; *and*
- You are in a Class Covered for Dependent insurance; *and*
- You have an Eligible Dependent.

Effective Date of Insurance

This section tells when Your insurance and insurance for Your Eligible Dependents may begin.

All premiums required by the Policy must be paid in order for insurance to begin.

Your Insurance is Contributory. Coverage begins on the first day that You have completed Your Eligibility Waiting Period and are Actively at Work which is coincident with or following one of the dates below:

- If Your application to become insured is completed and received by us on or before the earliest date on which You may become insured, Your insurance will take effect on that earliest date; *or*
- If Your application to become insured is completed and received by us no more than 30 days after the earliest date on which You may become insured, Your insurance will take effect on that earliest date; *or*
- If Your application to become insured is completed and received by us more than 30 days after the earliest date on which You may become insured, Your insurance will take effect on the date on which We have either approved Proof of Insurability or waived, in Writing, such requirement. Any Proof of Insurability must be provided without expense to Us.

If You are required to give Proof of Insurability for all or a portion of Your insurance, that insurance for which Proof of Insurability is required begins on the date We approve the Proof of Insurability.

Delayed Effective Date

If You are not Actively at Work on the date Your insurance would otherwise begin. Your insurance and any insurance for Your Eligible Dependents will be deferred until You return to full-time active work.

For Your Dependent's Insurance

The Plan Sponsor may require employees to contribute toward the cost of all or part of their dependent insurance. If so, the only Eligible Dependent who may become insured before You agree to those contributions is Your newborn Child. The form for this agreement may be obtained from the Plan Sponsor. If You Sign the form more than 31 days after You became eligible for dependent insurance, such Contributory insurance will be deferred until the date We approve Written Proof of Insurability for each Eligible Dependent.

Delayed Effective Date for Dependents

If any Eligible Dependent, other than a newborn child is confined at home or in a hospital or other medical facility on the date insurance would otherwise begin, the insurance will be deferred until 15 days following the end of the Eligible Dependent's confinement.

You may acquire a new Eligible Dependent while Your insurance for other Dependents is in effect. If so, the new Eligible Dependent will automatically become insured, except as noted in the next paragraph.

Your newborn Child is the only Eligible Dependent whose insurance may begin on a day that he or she is a hospital inpatient. Insurance so deferred for any other Eligible Dependent will become effective on the day he or she is discharged from the hospital.

Age Reductions for Your and Your Spouse's Coverage

The following age reduction rules apply to all types of coverage for You and Your Spouse.

On the anniversary of the Policy effective date which occurs on or next follows any of Your birthdays listed below Your and your Spouse's insurance will be reduced by a percentage of the amount of insurance calculated in accordance with the Schedule of Benefits. The percentages are indicated in the following table:

<u>Birthday</u>	<u>Benefit Percentage</u>
70	50%

All insurance terminates upon Your retirement.

When Insurance Ends

For Your Insurance

Your Insurance will end on the first to occur of the following dates:

1. The date Your employment terminates. For the purposes of insurance coverage Your employment will terminate when You are no longer Actively at Work. However, if You are not Actively at Work due to Illness or Injury, You may continue Your insurance for a period of up to 6 months from the date on which Your disability started, by the payment of that portion, if any, of the premium that would have been required from You had disability not occurred. This continuation may not extend beyond the termination of the Group Policy or Our approval of Your claim for Waiver of Life Insurance Premium, if applicable.
2. the date the Policy, or your employer's agreement with us as outlined in the Policy, is terminated;
3. the day You cease to be an Insured under a Class defined in the Schedule of Benefits;
4. the date the Policy is changed to end the insurance for Your Class;
5. the last day of the period for which premium was paid, if a premium is not paid when due;
6. the date You retire;
7. the date You die;
8. the date You cease to be an Eligible Employee as defined in the *Definitions* section of the Policy;
9. the date You request, in Writing, for Your insurance to be terminated.

If Your insurance would end solely due to Your no longer being Actively at Work, the Plan Sponsor may continue Your insurance during the following periods:

- until the end of 3 months following the date You cease to be Actively at Work due to a temporary layoff; *or*
- until the end of 3 months following the date You cease to be Actively at Work due to a Leave of Absence or due to Your being called to active duty as a reservist with the U.S. Armed Forces Reserve; *or*
- during an absence from work due to a Leave of Absence that is in compliance with the Family Medical Leave Act.

Any Leave of Absence must have been authorized in Writing by Your Employer. All premiums otherwise required by the Policy must be paid in order for any continuance of insurance provision to be applicable.

If coverage is continued in accordance with the Leave of Absence provisions above, such continued coverage will cease immediately if any one or more of the following events occurs:

- the leave terminates prior to the agreed upon date.
- the Policy terminates.
- You or the Plan Sponsor fail to pay premium when due.
- the Policy no longer insures Your Class.

For Your Dependent's Insurance

Your Dependent's insurance under the Policy will end on the first to occur of the following dates:

- the date that the dependent ceases to be an Eligible Dependent as defined in the Definitions of the Policy;
- the date You cease to be insured under the Policy;
- the date You cease to be in a Class eligible for dependent coverage;
- the last day of the period for which any required premium contribution is made, if You or the Plan Sponsor fail to make any further required premium;
- the date You become insured under the Waiver of Premium provision of the Policy;
- the date that is stated in the notice that You have asked, in Writing, to have Your Eligible Dependents cease to be insured. This clause will only apply if participation in the Dependent Coverage under the Policy is at Your option;
- for Your Dependent Spouse, upon the Employee's retirement;
- the date that the Dependent starts full-time active duty with the U.S. armed forces.
- the date of Your death.

Additional Benefit for Child Education

If a benefit due to Your Accidental Loss of life becomes payable under the Policy, We will reimburse the reasonable and necessary expenses actually incurred according to the Additional Benefit stated below for each Insured Dependent Child who is enrolled as a full-time student and is under the age of 24 on the date of Your death:

The Insured Dependent Child must be:

The maximum Additional Benefit for Child Education will be the lowest of the following amounts:

- 1 ¼% of Your Principal Sum per year for each Dependent Child;
- \$3,500 per year for each Dependent Child;
- \$20,000 for all Dependent Children and all years;
- The amount of expense actually incurred.

In addition, the Additional Benefit will not exceed a maximum of the equivalent of 4 years, which must run consecutively from Your date of death, with respect to any one Dependent Child.

In the event the Dependent Child satisfies the requirements indicated above and has reached the age of legal majority, such Child will be deemed the beneficiary with respect to benefits payable under this Additional Benefit. If the Dependent Child satisfies the requirements indicated above, and has not yet reached the age of legal majority, the benefit will be payable annually to the legal guardian of the estate of the Dependent Child, until such Child reaches the age of legal majority.

Additional Benefit for Coma

If an Accidental Injury which results in a Loss payable under the terms of the Policy causes You to be in a Coma continuously for at least 31 days We will pay an Additional Benefit. The Additional Benefit for Coma will be payable annually for each month of continuous Coma, but in no event more than 8 years on behalf of You. No Additional Benefit for Coma will be payable after the comatose condition has ceased, whether by death, recovery or any other change of condition. The Additional Benefit will be 1% of the Principal Sum for each month that You are in a Coma. In no event shall the total amount paid for all Accidental Death and Dismemberment Benefits for an Insured exceed the Principal Sum.

The Coma Benefit will be paid to the legally appointed guardian or conservator of Your finances.

If, after qualifying for an Additional Benefit, You suffer another Loss covered under the terms of the Policy, due to the same Accident that caused the comatose condition, the benefit paid for such other Loss will be the benefit stated in the Schedule of Losses reduced by the total amount of benefits paid, including the Additional Benefit for Coma which has been paid, with respect to You as a result of that Accident. If You continue to qualify for an Additional Benefit for Coma after such other loss, the amount of Additional Benefit for Coma paid annually will be redetermined in accordance with the calculation stated above. Only one Coma Benefit will be paid for any one month of Coma, regardless of the number of injuries contributing to or causing the Coma.

We will require monthly Proof of the continuing Comatose condition. We retain the right to investigate to determine whether the Comatose condition exists and continues.

The Coma Benefit will be calculated at 1/30th of the monthly Coma Benefit for each day during a period of coma of less than a full month.

Coma and **Comatose** means, for the purposes of this provision, a profound state of unconsciousness from which You cannot be aroused to consciousness, even by powerful stimulation, as determined by a Physician. You must be confined in a medical facility during a coma.

The Additional Benefit will be paid to Your beneficiary, as determined in accordance with the Beneficiary Provision(s) under the Policy.

Additional Benefit for Seat Belt and Air Bag

If a benefit due to Your Accidental Loss of life becomes payable under the terms of the Policy, We will pay an Additional Benefit called the Seat Belt and Air Bag Benefit if You were wearing a Seat Belt, and an additional benefit if You were wearing a Seat Belt and the Automobile was

equipped with Air Bag(s) at the time of the Accident. These benefits are subject to all of the terms and limitations of the Policy and all of the following conditions:

- The Seat Belt Benefit equals the lesser of (i) \$15,000 or (ii) 10% of the amount of the Accidental Death and Dismemberment Insurance Benefit paid because of Your Accidental death in accordance with the Schedule of Losses.
- The Air Bag Benefit equals the lesser of (i) \$10,000 or (ii) 10% of the amount of the Accidental Death and Dismemberment Insurance Benefit paid because of Your Accidental death in accordance with the Schedule of Losses.
- Satisfactory Proof that Your death resulted from an Automobile Accident independent of all other causes, and that the Insured was wearing a seat belt at the time of the Accident must be received at the time of claim. Proof that the Automobile was equipped with Air Bags may also be required.
- No payment will be made for an Air Bag Benefit if at the time of the Accident the Insured was not in a seat for which the Automobile provided an Air Bag, and wearing a Seat Belt.
- A copy of the police accident report must be submitted with the claim. The report must certify the position of the Seat Belt.
- No payment will be made for the Seat Belt or Air Bag benefit for any Insured who is driving or riding as a passenger if:
 - the blood alcohol of the driver or operator of the Automobile is in excess of the legal limit in the jurisdiction in which the Accident occurred; *or*
 - the use of any intoxicant or drug by the driver or operator of the Automobile is determined to be a contributing cause of the Accident, whether or not the intoxicant or drug was prescribed by a Physician.

The Additional Benefit for Seat Belt and Air Bag will be payable to Your beneficiary, as determined in accordance with the Beneficiary Provision(s) under the Policy.

For the purposes of this Additional Benefit:

Seat Belt means a properly installed seat belt, lap and shoulder restraint, or other restraint approved by the National Highway Traffic Safety Administration.

Automobile means a motor vehicle licensed for use on public highways which is a self-propelled passenger vehicle that has four wheels and an internal combustion engine. It may include electric passenger vehicles and certain hybrids. It excludes all other motorized vehicles.

Air Bag means an inflatable supplemental passive restraint system installed by the manufacturer of the Automobile that inflates upon collision to protect an individual from Injury and death.

General Provisions

Assignment

As part of Your estate plan, You may wish to assign ownership of any death benefits to someone else. The Policy allows assignment of all present and future right, title, interest and incidents of ownership as to: (a) any life insurance; (b) any disability provision of life insurance, and (c) any Accidental death insurance under the Policy. The assignment will include, but is not limited to, the rights: (a) to make any contribution required to keep the insurance in force; (b) to exercise any conversion privilege; and (c) to change the beneficiary named.

No assignment of rights, title, interest and incidents, of ownership will be binding on Us unless and until the original of the form documenting the assignment, or a true copy of it is received and acknowledged by Us at Our Administrative Office.

We will have no responsibility:

- for the validity or effect of any assignment; or
- to provide any assignee with notices which We may be obligated to provide to You.

Currency

All payments made to or by Us will be made in United States dollars.

Class Membership

You may be covered under only one Class at any time.

Misrepresentation

Any statement You make in an application to become insured is a representation and not a warranty. No representation made by You in an application to become insured will be used to reduce or deny Your claim or contest the validity of Your insurance unless:

- Your insurance would not have been approved except for Your misrepresentation; *and*
- Your misrepresentation is contained in a written instrument Signed by You; *and*
- We give You or Your Dependents a copy of the written instrument that contains Your misrepresentation.

Incontestability

We will not use misrepresentations made by an Insured in a written application to contest the validity of the insurance with respect to which such statement was made, after such insurance has been in force prior to the contest for a period of two years during the Insured's lifetime, unless

the misrepresentations are fraudulent. This section does not prevent Us from using at any time a defense based on:

- non-payment of premium; *or*
- any other provision of the Policy; *or*
- any other defense that is allowed by law.

Misstatement of Age

If Your age or any other fact was misstated, We will use the correct facts to determine whether You are Insured and if so, for what amount and duration.

In addition, the life insurance premium rate will be adjusted so that the premium paid would have been correct for Your or Your Spouse's actual age. We may make this change back to the date coverage became effective based on the misstated information.

Errors

You must be properly Insured under the Policy. An error or omission by the Plan Sponsor or by Us will not cause You to become Insured. An error or omission by the Plan Sponsor or by Us will not cancel insurance that should continue nor continue insurance that should end. The requirements of the Policy must be properly met for any change in the amount of Your insurance to take effect. We have the right to full recovery of any overpayments made. Such reimbursement will be required regardless of whether the overpayment occurred due to an error by Us, or by an Insured or Insured's representative or beneficiary, or the Plan Sponsor. If We determine that You have been paid less than You are entitled to under the Policy, We will pay You the difference in one lump sum.

Agency

The Plan Sponsor or employer and any administrator appointed by the Plan Sponsor or employer shall not be considered Our agents for any purpose. We are not liable for any of their acts or omissions.

Changes to Policy

The Policy may be amended at any time by written agreement between the Plan Sponsor and Us, without the consent of or notice to any other individual. Any amendment to the Policy must be in Writing and be attached to it. The amendment must bear the signature or a reproduction of the signature of the President, a Vice President, or Secretary of Our Company.

If a person who is otherwise eligible for insurance is not Actively at Work on the Effective Date of the amendment, the effective date with respect to that person will be on the date that he is again Actively at Work. However, if the amendment reduces the amount of insurance to which the person is entitled, the effective date will be the effective date of the amendment.

It is understood that, if the Policy is amended during a person's continuous period of Disability, the amendment will have no effect on the amount of his insurance during that same continuous period of Disability.

Enforcement of Policy Terms

If at any time We do not enforce a provision of the Policy, We will still retain Our right to enforce that provision at Our option after providing notice.

Claims and Payment Provisions

How To Claim Benefits

Due written Proof of claim is required in order to receive benefits under the Policy. Claim forms are available to You or Your beneficiary on request to the Plan Sponsor. For prompt payment, it is necessary that the claim form be completed in full. For a claim for loss of life, a certified copy of the death certificate must be provided to Us.

Notice of Claim

For all claims other than life claims, notice of a claim must be given within 90 days after a covered Loss starts. If this is not reasonably possible, notice must be given as soon as it becomes reasonably possible. Reference to a “loss” in this provision, and the provisions below, means that an event occurred or an expense was incurred for which a benefit is payable under the Policy. Written notice can be given to Us at Our Administrative Office or to Our agent. The notice must identify You along with Your Group Policy number, and the name and address of the Claimant.

For a Waiver of Premium claim for loss due to disability, You must notify Us immediately if You return to work in any capacity.

Claim Forms

When We receive the notice of claim, We will send the Claimant forms for filing Proof of Loss. The needed forms may also be obtained from the Plan Sponsor. If these forms are not given to the Claimant within 15 days, the Claimant will meet the Proof of Loss requirements by giving Us a Written statement of the nature and extent of the Loss within the time limit stated in the Proof of Loss section.

Proof of Loss

Due Written Proof of Loss must be given to Us within 90 days after such Loss, for all claims other than life claims. Failure to furnish the Proof within that time shall not invalidate or reduce the claim if it was not reasonably possible to give Proof within such time, provided such Proof is given as soon as it becomes reasonably possible. But, unless delayed by the Claimant’s legal incapacity, the required Proof must be furnished within 10 years of the specified time for a life claim, or 2 years for all other claims.

Filing Claim Forms

The Proof of Loss claim forms contain instructions as to how they should be completed and where they should be sent. Claimants should be sure to fully complete the forms. Incomplete forms may delay the processing of the claim.

Time of Payment of Claim

Indemnities payable under the Policy for any Loss will be paid as they accrue immediately upon receipt of due Written Proof of Loss.

Payment of Claims

Any covered benefit for Your Loss of life will be payable in accordance with Your Written beneficiary designation, subject to the Policy's provisions and applicable law. Covered benefits for all other Losses are payable to You.

Beneficiary Provisions

Designated Beneficiary Provision

The beneficiary is the person or persons You designate to receive any benefit payable because of Your death. The designation must be made in a Written statement on a form approved by Us.

You may change beneficiaries at any time, subject to applicable law. To do so, You must provide a Written statement on a new form.

Any designation or change of beneficiary will be effective on the date of its execution, regardless of whether or not You are living at the time it is given to Us. In the event You die before any designation or change is recorded, any death benefit We may have already paid will be deducted from the amount payable to a newly named beneficiary.

If You designate more than one person to share any death benefit, You should specify on the form how the benefit is to be divided among them. Otherwise, they will share the benefit equally. All rights of any beneficiary cease if he or she dies before You do.

Alternate Payment Beneficiary Provision

The interests of a beneficiary who dies before You will accrue to the surviving beneficiaries. However, if for all or part of Your insurance, no beneficiary has been properly designated in accordance with the Policy provisions and applicable law, the amount of Your insurance for which there is no beneficiary will be payable in equal shares to the first of the following categories of surviving beneficiaries:

1. Legal Spouse;
2. Natural and legally adopted children;
3. Mother and Father;
4. Brother and Sister;
5. Estate.

If the Insured and the beneficiary die from the same accident, and the order of deaths cannot be determined, We will pay the benefit as though the Insured survived the beneficiary.

Release for Payment

It may be that one or more persons have incurred expenses for an Insured's fatal condition or burial. If, in Our judgment this is true, We may apply part of any death benefit toward reimbursement of such persons. But the total amount of death benefit so applied shall not be more than \$500. Then, the beneficiary for the payment will receive only the unpaid balance of the death benefit.

It may happen that the person to be paid a benefit (called the "payee") is legally unable to execute a valid release for payment. If a payee is unable to execute a valid release, We may:

- pay any providers on whose charges the claim is based toward satisfaction of those charges; *or*
- pay any person or institution that has assumed custody and principal support of the payee. This will not be done, though, after claim is made by the payee's duly appointed legal representative.

If the payee dies while any accrued benefits remain unpaid, We may pay any provider on whose charges the claim is based toward satisfaction of those charges. Then, any benefits that still remain unpaid can be paid to anyone related to You by blood or marriage.

The payments under this Release for Payment provision may be made at Our discretion, subject to applicable law, and will not exceed a total of \$500. We will be discharged to the extent of any payments made in good faith under this provision.

If any person who is to receive a benefit payment is a minor or is not legally competent, then the benefit payment will be made to the legally appointed guardian of the person's estate.

Physical Examinations

We shall have the right and opportunity to have any Insured person whose Injury or Illness is the basis of a claim undergo an Independent Medical Exam. This may be done when and as often as We may reasonably require. If the person has died, We may require an autopsy, unless it is prohibited by law. Such examination or autopsy will be at Our expense.

Proof of Financial Loss

For any benefit which is based upon determination of a person's financial loss, We shall have the right to require Written Proof of financial loss. This includes, but is not limited to:

- statements of income;
- tax returns, tax statements, and accountants' statements; *and*
- any other Proof that We may reasonably require.

We may perform financial audits at Our expense as often as We may reasonably require. Payment of benefits may be contingent upon Proof of financial loss being satisfactory to Us.

Legal Actions

For life claims: No action at law or in equity shall be brought to recover on the Policy after the expiration of 10 years from the date of death.

For claims other than life claims: No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after Written Proof of Loss has been furnished in accordance with the requirements of the Policy. No such action shall be brought after the expiration of 2 years after the time Written Proof of Loss is required by the above terms.

Reconsideration of a Denied Claim

If You or Your beneficiary's claim for benefits is totally or partially denied, We will provide a Written notice. The notice will give the reasons for denial. If a Claimant does not agree with the reasons given, the Claimant may request reconsideration of the claim.

To do so, the Claimant must write to Us within the 60 days after receipt of the notice of denial. The Claimant should indicate why he believes the claim was improperly denied, and include any additional information, data, questions or comments which he or she thinks are appropriate. Unless We request additional information, the Claimant will be advised of Our decision within 15 days after the Written request for reconsideration is received.

Our name and address for correspondence regarding claims appear in this Certificate. Our name and address will also be on the initial notice of denial and any subsequent correspondence from Us. For a life claim, the Claimant may take legal action at any time up to 10 years following the date of death of the Insured.

Release of Information

You and Your Dependent(s) agree that We may request, and anyone may give to Us, any information, (including copies of records) about an Insured's Illness or Injury for which benefits are claimed and that We may give similar information if requested to anyone providing similar benefits to an Insured.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS
UNDER THE LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Missouri Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited however, and, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Missouri Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Missouri. You should not rely on coverage by the Missouri Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Missouri Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

Generally, persons will be covered if they live in this state, and hold a life or health insurance contract or annuity, or a certificate under a group policy or contract. However, not all individuals with a right to recover under life or health insurance policies or annuities are protected by the Act. A person is not protected when:

1. The person is eligible for protection under the laws of another state;
2. The person purchased the insurance from a company that was not authorized to do business in this state;
3. The policy is issued by an organization which is not a member insurer of the Association; or
4. The person does not live in this state, except under limited circumstances.

Additionally, the Association may not provide coverage for the entire amount a person expects to receive from the policy. The Association does not provide coverage for any portion of the policy where the person has assumed the risk, for any policy of reinsurance (unless an assumption certificate was issued), for interest rates that exceed a specified average rate, for employers' plans that are self-funded, for parts of plans that provide dividends or credits in connection with the administration of policy, or for unallocated annuity contracts (which are generally issued to pension plan trustees). The Act also limits the amount the Association is obligated to pay persons on various policies. The Association does not pay more than the amount of the contractual obligation of the insurance company. The Association does not have to pay more than \$300,000 in death benefits for any one life regardless of the number of policies that insure that life. The Association does not have to pay amounts over \$100,000 in cash surrender or withdrawal benefits on one life regardless of the number of policies insuring that individual. For health insurance benefits, the Association is not obligated to pay over \$100,000 including net cash surrender or withdrawal benefits. On an annuity contract, the Association is not liable for over \$100,000 in present value. Finally, the Association is never obligated to pay more than a total of \$300,000 for any one insured for any combination of insurance benefits.

Section II. Value Added Services

Note: The Value Added additional services are not a part of Your Certificate of Coverage and do not modify your insured benefits.

The Value Added Services are provided based on negotiated agreements between the insurance company and certain service providers. Although the insurance company endeavors to make these services available to all policyholders and certificateholders as described below, modifications to our agreements with service providers may require that services be periodically modified or terminated. Such modification or termination of services may be made based on cost to the insurer, availability of services, or other business reasons at the discretion of the insurer or service providers.
